Education

Quantum University

Bachelor of Technology - CSE, CGPA: 8.36

Roorkee, India

Jun 2019 - Jun 2023

DAV College

12th - PCM, Percentage: 75.6%

Siwan, India

Mar 2017 - Mar 2019

Skills Summary

Languages: Java, JavaScript, HTML/CSS, C(Basic), SQL

Frameworks: ReactJs, Tailwind CSS, Bootstrap

Database: MySQL, PostgreSQL

Tools: GIT, MySQL Workbench, PgAdmin4, VS Code, Postman, IntelliJ IDEA

Platforms: Windows, Linux, GitHub, Netlify, Figma

Soft Skills: Leadership, Event Management, Problem Solving, Adaptability, Time Management

Experience

Treue Technology

Remote

Frontend Developer (Intern)

Sep 2023 - Oct 2023

- Developed responsive web applications using HTML, CSS, Tailwind CSS, JavaScript and React JS.
- Acquired proficiency in React Js, enhancing the interactivity and efficiency of web applications.
- Implemented Tailwind CSS to streamline and optimize the styling process, ensuring a seamless user experience.
- Acquired practical frontend skills, implementing best practices and staying updated with industry trends.

Internshala | Training

Remote

Web Development

Jul 2021 - Sep 2021

- Acquired hands-on experience in front-end technologies like HTML, CSS, Bootstrap, Javascript and React JS.
- Acquired proficiency in crafting responsive web applications, ensuring seamless user experiences across devices.
- Gained hands-on experience with database management utilizing SQL and SQL Workbench, enabling effective data manipulation and retrieval.

Projects

Nike Clone | React Js, Tailwind CSS, Javascript, HTML, CSS

Sep 2023

- Developed a high-fidelity, responsive web application using React.js, Tailwind CSS, JavaScript, HTML, and CSS.
- Employed Tailwind CSS to efficiently style the application, achieving a polished and professional UI design.
- Ensured exceptional UI responsiveness, enabling optimal performance and usability across various devices and screen sizes.

QuizGenius | React Js, Material UI, Javascript, HTML, CSS

Oct 2022

- Integrated a dynamic category selection feature allowing users to choose from various categories.
- Implemented the difficulty levels (easy, medium, hard) for users to customize their quiz experience.
- Implemented a scoring system to store and display the user's total score at the end of the quiz.
- Implemented input field validation with error messaging for empty inputs.

Calculator | React Js, Javascript, HTML, CSS

Jun 2022

- Developed a ReactJS based calculator, integrating dark mode functionality for enhanced user experience.
- Implemented history saving feature to allow users to track and reference their previous calculations seamlessly in app.
- Enhanced usability by enabling keyboard input functionality, optimizing accessibility for efficient calculations.

Sorting Visualizer | Javascript, Bootstrap, HTML, CSS

Mar 2022

- Developed a JavaScript application for visualizing various sorting algorithms.
- Implementations include:** Bubble Sort, Selection Sort, Insertion Sort, Merge Sort and Quick Sort.
- Integrated features enabling speed control and array size adjustment, enhancing user interaction and comprehension.

Extracurricular

Codex | Club Member

Nov 2021 - Feb 2022

Student Frontend Developer

- Proficiently utilized HTML, CSS, JavaScript, and Bootstrap to develop dynamic and responsive web applications.
- Acquired hands-on experience in frontend technologies, showcasing proficiency in coding and debugging.
- Worked and optimized one of college website: qucodex.com

Certifications

Cyber Shikshaa(Microsoft)

Web Development(Internshala)

Java(HackerRank)

JavaScript(HackerRank)
